Each legislative session, we work intentionally with state legislators to craft, introduce, and support legislation which improves access, opportunity, and equity for Nebraska's children and families.

## **LB906 | Senator Merv Riepe**

Movement Position: Support

LB 906 increases penalties for child labor law violations and broadens the Department of Labor's ability to investigate and subpoena employers suspected of violating Nebraska child labor laws.

## **LB1284 | Senator Lynne Walz**

Movement Position: Support

LB 1284 creates an educational package, which includes, but is not limited to, providing training and financial support for future educators, expanding access to mental health services, increasing support for students with special needs, expanding programs and courses related to computer science and technology, and requiring schools to provide access to menstrual products in bathrooms.

## **AM3205 to LB937 | Revenue Committee**

## **LB1402 | Senator Lou Ann Linehan**
